

Magic Village

121 S Orange Ave suite 850, Orlando, FL 32801, United States

Magic Village by Pirinfarina is the third development by Magic Development, which is under construction and will be built in four phases. We are selling out phase one rapidly. The newest project is Magic Village by Pininfarina. It is the most luxurious vacation home development in the area, located just one half mile from the major attractions and Disney parks, including destinations such as ESPN. The property is adjacent to prestigious Celebration. The upcoming visual of Magic Village by Pininfarina will transform the future skyline of the location with its chic contemporary design fronting US 192 with exclusive commercial designs and spaces. Magic Village by Pininfarina is a luxury vacation home with the privileges of an investment property and the convenience of a hotel service. Magic Village is ideal for investors who seek comfort and exclusivity while achieving a profitable return on investment through short term/ long term rentals. Magic Village is Powered by Wyndham Hotels and Resorts and previewed on the best travel sites. Magic Village by Pininfarina combines elegant Italian contemporary design and architecture with our 5-star business model, delivering beauty and luxury with profitability! It will transform the Orlando skyline with its chic and exclusive Italian design. Undoubtedly the best and most luxurious pre construction development, offering excellent appreciation and income return through in house rental programs. Upgrades &
